

Mwhaha!
Mwaha... hahaha!
Mwhaaa...

Do you see me?
Prancing around like a lunatic?
Escaped from a mental hospital?
Gas can in hand,
Lighter in my pocket.

Mwhaha...
Mwaha... hahahha
hehehehe.
Ha!

Do you see me?
Skipping to and fro,
Clicking my heels as I leap in the air.
Pouring gasoline everywhere!
Dance my gasoline, dance!

Tee hee...
Mwaha!
Ha!
Hardy har har har!

Do you see me?
Pouring gasoline onto the wood,
From end to end of this covered bridge.
See the droplets make rainbow dances,
As they mix with the rushing river.

Mwhaha!
Hehehehee,
Ho ho ho ho ho!
Merry Christmas indeed!

Do you see me?
Pulling out my lighter,
Click... click... click...
This thing never works.
Click... click,
Ahh there we go!

Giggle, Giggle,
Tickle go fickle,
Hahaha,
He... he... bloody he...

Do you see me?
Putting the flame to the wood?
Whoosh there it goes!
Watch the flames dance to their rhythm.
Watch them dance much like a lunatic.

Mwhaha,
Bwhahahahaahaha,
hehe...
Cough...

You can't see me...
And I can't see you.
This thick... thick smoke.
I think I'm going to choke...
This smoke... is so very thick.

Mwaha cough...
Bwhaha gag...
He cough he cough he...
Hehe cough cough cough cough...

You can't see me, And that's fine by me.
Daddy always said never burn bridges.
But this way I'll know you'll never hurt me.
Though I might die of smoke inhalation,
before you have the chance.

Cough...
Cough...
Cough...
...

Good bye.
